PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on May 16, 2018, and to issue a warrant.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2

Special Condition #19: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence On August 19, 2016, Ms. Buchanan signed her conditions of supervised release relative to docket number 1:15CR02044-SAB-2, indicating she understood all conditions as ordered by the Court.

Ms. Buchanan violated special condition #19, on or about May 17, 2018, by consuming an illegal controlled substance. On May 17, 2018, Ms. Buchanan provided a presumptive positive urinalysis (UA) test for opiates. Ms. Buchanan denied consuming any controlled substance and the UA was sent to Alere Toxicology (Alere) for confirmation. On May 21, 2018, Alere sent United States Probation a drug test report showing the UA tested positive for morphine.
